# Cost Reducing Strategies for Dairy and Livestock Operations

Join us for the second annual New England Cooperative  
Extension event:

## **Cost Reducing Strategies for Dairy and Livestock Operations**

We will focus on innovative alternatives to maximize the impact of every dollar you invest on your farm and how to manage your farm for long-term sustainability.

### **Presentation topics will include:**

- Contribution of no-till methods to soil health
- Evaluating nitrogen fertilizer needs
- Grazing and harvesting cover crops
- Management for more profitable heifer replacement systems
- Nutrient management
- Integrating cover crops into corn silage systems
- Animal nutrition

**March 18th, 2014**  
**From 10:30am to 3:30 pm**

### **Location:**

UMass Animal and Crop  
Research Center  
89-91 North River Road  
South Deerfield, MA

There is a registration fee of \$20 per  
person

Please register by March 1st

**3.0 CCA Credits will be offered**
