

Hunt Farm

The original 40 acres of Hunt Farm was purchased in 1879. In 1983 a free stall barn and milking parlor was built.

Surrounding land has been purchased as it became available and the farm now consists of 400 acres with a herd of 240 Registered Holstein.

In April, 2013 Hunt Farm started producing its own power with a 55 kW roof mounted solar system. In September, 2013 a 3 MW solar farm was completed on 11 acres of formerly unproductive land that Hunt Farm now rents to Soltas.

A Western round-up lunch is sponsored by Hunt Farm and Padula Brothers John Deere. Join us for...BBQ Chicken Legs, Pork Spare Ribs, Potato Salad, Tossed Green Salad, Corn on the Cob, Baked Beans, Fresh Fruit, Rolls & Butter, Dessert & Coffee. Our milk for lunch donated by Mapleline Dairy, Hadley, MA
